The Delights of a Summer Resort

When you go to a summer resort, one of the chief delights is the wide, cool, cozy verandas where you can sit in the shade and enjoy a cool, delightful breeze.

You can make your own porch as cozy and comfortable, by shading out the sun with Vudor Shades. They let in the breeze and keep out the heat. They practically add another room to your house—delectable room of all during the heated season. You can serve luncheon or tea on a porch fitted with

BASEBALL TOURNAMENT AT TERRITORIAL FAIR

Last night, owing to absent members and others who had forgotten to attend, the meeting of the executive committee of the territorial fair failed of purpose, there being no quorum. Two members of the committee, however, were present, and they talked over the question of a baseball tournament at the fair. It was suggested that a purse of \$1,750 be given for the tournament, to be divided into four monies: First prize, \$800; second, \$500; third, \$300, and fourth, \$150. No entry fee to be charged, and limited to New Mexico, Arizona, El Paso and Trinidad, with only one team from a town. All players must have resided in New Mexico, Arizona, El Paso and Trinidad on and after August 15. No entries will be accepted after September 1. No action was taken on these suggestions, the two members present concluding to submit the full proposition to another called meeting of the executive committee, or to await the return to the city of President Greer and Secretary Sellers. The latter is expected to reach the city Sunday morning.

KILLED HIMSELF ON ACCOUNT OF ILL HEALTH

Robert Alexander, for many years one of the most prominent men in western Missouri, where he had served as a deputy United States marshal and as a member of the Kansas City police force, committed suicide at Las Vegas yesterday, because of ill health.

Alexander came to New Mexico several months ago, suffering with consumption in its advanced stages. After brooding over his condition for several days, he determined to kill himself, rather than die a slow death.

After closing up his earthly affairs, he plunged headfirst into a cooling tank at the Las Vegas hot springs, where his lifeless body was found a few hours later.

Serious Rioting in Spain.

Madrid, July 20.—Serious disorders have occurred at Seville and Salamanca arising out of the general distress. Four hundred farm laborers invaded Seville, looted the bakeries and shops and committed other depredations, until dispersed by a strong force of police. A mob stormed the city hall at Salamanca, broke into the building and sacked it. A member of the municipal council fleeing from the rioters jumped from a window and was killed.

The picture machine will operate tonight for the first time at the Casino, and some beautiful illustrated songs will be sung.
